PRAHA. Staroměstský orloj.

Dear Sister,

Today is the day of the big game; we play outside in the stadium - it is pouring now. We have bought lots of things; I am trying to find a peasant dolly for you. How do you like school? We have to sit up for 26 hrs. on the train to Paris. We are having a double birthday party tonight. Lots of love -

We sat on the observation platform till 10.30 talking and laughing. We met
