Coming Soon! The BC Sports Hall of Fame
is offering online presentations for Hero In
You!

ABOUT US

Hero In You is a province-wide youth educational outreach program that showcases the incredible stories, challenges and triumphs of BC athletes.

Honoured Members and Featured Athletes at the BC Sports Hall of Fame share their stories to inspire students to set goals for themselves and strive to reach their personal best.

HERO IN YOU PRESENTATIONS INCLUDE

The Virtual Hero In You presentation will be 45 minutes to an hour long. It will include:

- A tour around the BC Sports Hall of Fame
- An activity break
- A presentation from an Honoured Member or a Featured Athlete
- Q & A with an Honoured Member or Featured Athlete

WHAT YOU WILL NEED

Hero In You will be hosted on Zoom Webinar, which can hold up to 500 participants.

For a classroom, a large screen like a SmartTV with internet connection or a projector with an HDMI setting is required.

If you have students who are learning from home, they can simply tune in from their computers. Make sure students have room to move around because we will include participatory activities!
